Winnipeg's fire-fighting department said no people were hurt Brazilian Portuguese Spanish Italian Norwegian Russian Spanish Polish.. Scrivenski said the first two floors of the building had smoke alarms, and had been put on automatic sprinkler systems to be used in these types of events. "I'm not sure there were sprinklers used," the fire chief continued. But it will take some time to assess whether there are any sprinklers in place.. All employees were accounted for and back on site late Tuesday evening as the fire was controlled.. While fire crews were still working their way into the building, a second fire broke out at 2:30 a.m. in a second building on E. Eby St.. Workers were alerted to the fire by a 911 call made by a man, according to Scrivenski. "He was coming down the stairs when there was a big crackling sound and he was right outside on the roof. He started yelling 'help!' There was fire outside. ... And everyone got out," Scrivenski said.. By 6 p.m., more than 40 fire crews were on scene, and the building was still on fire, said Winnipeg Fire Chief Frank Scrivenski.. Advertisement 4. "The Hand" [Season 2, Episode 5] Eureka and Dr. Zal are finally able to complete their treatment to her disease, and Eureka's suffering and grief for his passing are finally making progress. However, her father, Dr. Munt (Ian Harding), is left with severe side effects from Zal's procedure and has lost all interest in her. She also finds an elderly Dr. Munt in the asylum who is reluctant to forgive his son's mistakes.
